RECIPE

Old Time Fried Chicken

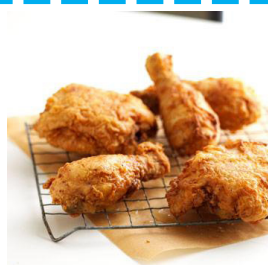

(Very popular chicken from the Brookville Hotel Restaurant in Abilene, Kansas. Great for those Summer potlucks)

Ingredients:

- 1 2-1/2 to 3 pound broiler-fryer chicken, cut up
- 1/2 cup all-purpose flour
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 5 ounce evaporated milk
- 2/3 cup water
- Lard, shortening or cooking oil (the chef at the hotel uses lard just like grandma did)

Directions:

In a shallow dish, stir together the all-purpose flour, salt, and pepper-set aside. In a bowl, stir together the evaporated milk, the water-set aside. In a 12 inch skillet, heat enough lard, shortening or cooking oil over medium heat to make 1/2 inch depth. Dip the chicken in the milk mixture. Then, roll the chicken in the flour mixture. Cook the chicken in hot fat, uncovered about 10 minutes more or until meat is easily pierced with a fork or no longer pink. Remove chicken pieces from the skillet. Drain the chicken on paper towels. Serve warm.
