Wahl U.S.A. Animal Grooming

Made in USA

Barry Jones from Racine County Wisconsin has revived a by-gone tradition. Here in his 100 year old chicken barn he gathers eggs from his 500 free range chickens and then delivers about 100 dozen to 40 homes every Saturday morning. He also sells his eggs at local farmer's markets in warmer months. Every carton has his picture on it to make it very personal. It's a flashback to simpler times he says! Many times you've probably heard people respond "livin' the dream" when asked how they're doing, but we believe Barry truly is living His dream-

RECIPE of the month

Asparagus Soup

Ingredients:

- 3 lbs. fresh asparagus, rinsed
- 8 cups chicken stock
- 4 tablespoons unsalted butter
- 1 cup minced shallots
- 1 cup minced leeks-whites only-well rinsed
- 1 tablespoon minced garlic
- 1/2 teaspoon salt
- 1/4 teaspoon ground white pepper
- 1/2 cup heavy cream
- 1/4 cup finely grated parmesan

6 STARS ★★★★★★

"If we could give this recipe 6 stars instead of 5 we would-This soup is amazing!"

Directions:

Trim the top tips from the asparagus-about 1 to 1 1/2 inches in length. Cut the woody stem ends from each spear and reserve. Cut the remaining tender stalks into 1/2 inch pieces. In a medium pot, bring the stock to a boil. Add the tough woody stems, lower the heat and simmer to infuse with asparagus flavor for 20 to 30 minutes. Remove stem ends with a slotted spoon and discard, reserving the stock. add the tips to the stock and blanch until tender-1 to 1 1/2 minutes. Remove with a strainer and refresh in an ice bath. Drain on paper towels and reserve for the garnish-reserve the stock. In a medium stockpot, melt the butter over medium-high heat. When foamy add the leeks and shallots and cook until tender-about 3 minutes. Add the garlic and cook until fragrant-about 1 minute. Add the chopped asparagus stalks, salt, pepper, and cook stirring for 2 minutes. Add the reserved broth and simmer until the asparagus are very tender-15 to 20 minutes-remove from heat. With a blender or food processor puree the soup until smooth. Adjust the seasoning to taste. Return to medium heat and add the cream and reserved asparagus tips-cook, stirring until soup is warmed through-sprinkle the Parmesan cheese and serve
